Any reservation fees for a puppy will have to be paid for with cash, a cashier's check or PayPal Friends and Family. When a puppy is picked up, the remaining balance will need to be paid for in CASH ONLY and the remaining balance will need to be paid before the puppy will leave with you. Failure to pick up the puppy within 7 days of the agreed upon pickup date will result in forfeiting ownership of the puppy which will then be placed in another home and you will not be given a refund on any fees paid (the loss of fees paid will be considered an inconvenience fee for us). Once your application is reviewed, I will reach out to you if there are any further questions. Please be patient in getting a response from me. If it has been over a week since you have submitted an application, if you are still interested in a puppy from us, please send an email to info@lightningroundaussies.com letting me know you submitted an application in case I missed it. Before sending us an email, please check your email spam or junk folder in case our email has been sent there first. For a puppy, I keep two lists, a deposit list and a wait list; the deposit list gets priority as they have paid a non-refundable reservation fee to be placed on the list for an upcoming litter. By filling out and signing this application, you have agreed that the information you provided is truthful and also agreeing that any deposits or reservation fees paid in the future are non-refundable. By signing and filling out the application, you also agree to and understand that should you take home a puppy you will be required to sign a legally binding contract prior to the puppy or dog being placed in your home. You also understand that if we may not feel a puppy from our program is best suited to your home, we may not move on further with the application process.
